

| OSEP/NCIP Indicator   | Kansas' 2011 Target | Local Program Performance | Target Met? (Y/N) | Determinations Category |
|---|---------------------|---------------------------|-------------------|-------------------------|
| 1 Percent of infants and toddlers with IFSPs who receive early intervention services on their IFSPs in a timely manner.<br><i>Sources: Infant-Toddler Database, Entrance/Exit &amp; Random Surveys</i>  | 100%                | 100%                      | Y                 | Meets Requirements      |
| 2 Percent of infants and toddlers with IFSPs who primarily receive early intervention services in the home or programs for typically developing children.<br><i>Sources: Fed. Data Table 2, Entrance/Exit Survey, Random Survey</i>   | 95%                 | 98.6%                     | Y                 | Meets Requirements      |
| 3 Percent of infants and toddlers with IFSPs who demonstrate improved:<br><br>1. Of those infants and toddler who entered infant-toddler services below age expectations in each Outcome, the percent that substantially increased their rate of growth by the time they turned three (3) years of age or exited the program<br>A. Positive social-emotional skills (including social relationships);<br>B. Acquisition and use of knowledge and skills (including early language/communication); and<br>C. Use of appropriate behaviors to meet their needs.<br>2. The percent of infants and toddlers who were functioning within age expectations in each Outcome by the time they turned three (3) years of age or exited the program<br>A. Positive social-emotional skills (including social relationships);<br>B. Acquisition and use of knowledge and skills (including early language/communication); and<br>C. Use of appropriate behaviors to meet their needs.<br><i>Source: ECO Database</i> |                     |                           |                   |                         |
|   | 57.53%              | 40.00%                    | N                 | baseline*               |
|   | 61.14%              | 47.06%                    | N                 | baseline*               |
|   | 66.99%              | 61.54%                    | N                 | baseline*               |
|   | 56.33%              | 62.86%                    | Y                 | baseline*               |
|   | 47.44%              | 71.43%                    | Y                 | baseline*               |
|   | 63.44%              | 85.71%                    | Y                 | baseline*               |
| 4 Percent of families participating in Part C who report that early intervention services have helped the family:<br>A. Know their rights;<br>B. Effectively communicate their children's needs;<br>C. Help them meet their children's needs<br><i>Sources: Entrance/Exit Survey, Random Survey, ECO Database</i>   | 85%                 | 100.0%                    | Y                 | Meets Requirements      |
|   | 98%                 | 89.7%                     | N                 |                         |
|   | 98%                 | 93.3%                     | N                 |                         |
| 5 Percent of infants and toddlers birth to 1 with IFSPs compared to:<br>A. Other states with similar eligibility definitions;<br>B. National data.<br><i>Source: December 1 Federal Data Tables</i>   | 1.35%               | 1.75%                     | Y                 | Meets Requirements      |
| 6 Percent of infants and toddlers birth to 3 with IFSPs compared to:<br>A. Other states with similar eligibility definitions;<br>B. National data.<br><i>Source: December 1 Federal Data Tables</i>   | 2.90%               | 3.73%                     | Y                 | Meets Requirements      |
| 7 Percent of eligible infants and toddlers with IFSPs for whom an evaluation and assessment and an initial IFSP meeting were conducted within Part C's 45-day timeline.<br><i>Sources: Infant-Toddler Database, Semi-Annual Report</i>  | 100%                | 100%                      | Y                 | Meets Requirements      |
| 8 **Percent of all children exiting Part C who received timely transition planning to support the child's transition to preschool and other appropriate community services by their third birthday including:<br>A. IFSPs with transition steps and services<br>B. Notification to LEA, if child potentially eligible for Part B; and<br>C. Transition conference, if child potentially eligible for Part B.<br><i>Sources: Infant-Toddler Database, Fed Data Tables, SAR's, Surveys</i>  |                     |                           |                   | Meets Requirements      |
